

**Forward 2011  
Adult Counselors Guidelines**

- \* You are responsible for each student in your room.
- \* Students are **NOT** required to spend the entire trip with the members of their room. The room set up is for sleeping only.
- \* Under **NO** circumstances should there be members of the opposite sex in any room at any time.
- \* During times of herding the group to and from places it is helpful to have **counselors** at the **front** and **rear** of the group.
- \* Be mindful of where members of your room are at **all** times.
- \* Occasionally when we arrive back at the hotel we will gather for a time of reflection about the evening service and what God is speaking to the hearts of our students
- \* Please remember **you are not** a drill sergeant or a task master. **Be sensitive** to the ministry needs of each students.
- \* Always remember the **2 Person Rule(2PR)**. That is if you have to deal with an issue with a student of the opposite sex please take another counselor with you. This is for your protection.
- \* Please **be aware** that it will take time to move our group through any place we go to or stop. The schedule is generous for this reason.
- \* Any situation requiring discipline or consequences needs the Youth Pastor attention.
- \* **Immediately** report any questionable activity to the Youth Pastor.
- \* You are the key holder to your room, **not students**.
- \* The phones and TV's will be blocked from PPV and long distance calls.
- \* **Thank you for making certain that the bus stays clean.** Please make sure the students in your room clean up their areas in the bus every time we get off the bus. We don't want to lose the privilege of eating and drinking on the bus taken away. The bus driver makes that decision.
- \* Swim suit guideline must be enforced. Guys **must** wear boardshorts while swimming. Girls – **must** wear a non-white t-shirt if they have a bikini or tankini swimsuit.
- \* Most of all we are to encourage students to have fun and grow in their relationship with Christ.
